Company Profile

企业简介

上海瀚广科技(集团)有限公司成立于2003年，是一家集实验室设计、开发、家具生产及系统施工为一体的智慧实验室集成服务商。瀚广科技作为德国WESEMANN全球重要战略合作伙伴，共同设计建造巴斯夫、欧莱雅等众多世界500强企业研发实验室，并积极引入国际领先的模块化设计理念，成功打造了国内首家Flexible实验室，助推中国实验室建设由传统实验室向灵活性实验室变革。

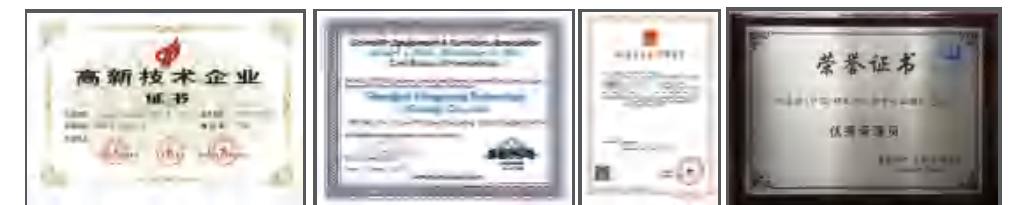

浩瀚于心，智慧于行。瀚广科技始终秉持着“以科技赋能实验，用智慧创造美好”的品牌理念，致力于为客户提供一站式智慧化集成解决方案，服务并推动实验室智慧化升级和行业进步，为科学家提供规范高效、安全舒适的科研环境。

瀚广科技拥有强大的设计团队，业务覆盖暖通控制、智能化系统、气路、给排水、装修装饰、洁净实验室等专业，并凭借专业的施工管理团队、规模化管理，为客户提供高速、高质、高效的服务。公司拥有建筑装修装饰工程专业承包一级、建筑机电安装工程专业承包一级、建筑装饰工程设计专项甲级、建筑工程施工总承包二级、电子与智能化工程专业承包二级、环保工程专业承包二级、GC2压力管道安装与设计许可等资质。

Founded in 2003, Shanghai Hanguang Technology (Group) Co., Ltd. is a smart laboratory integration service provider integrating laboratory design, development, furniture production and system construction. As an important global strategic partner of WESEMANN in Germany, Hanguang Technology has jointly designed and built the R&D laboratories of many Fortune 500 companies such as BASF and L'Oreal, and actively introduced the world's leading modular design concept, successfully built the first flexible laboratory in China, and promoted the transformation of China's laboratory construction from traditional laboratories to flexible laboratories.

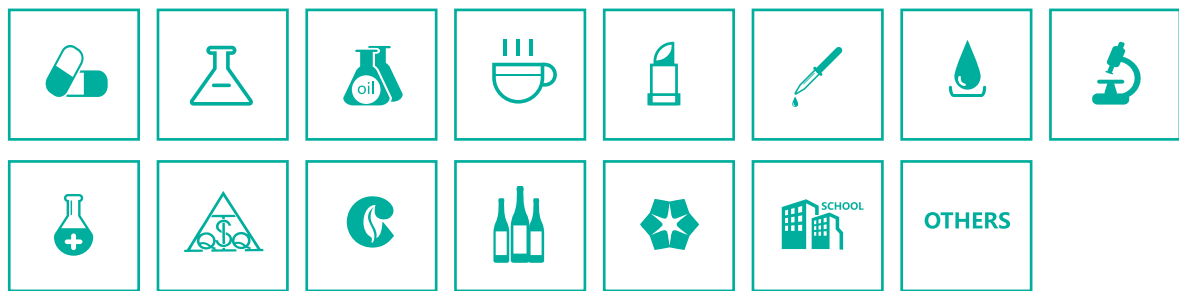

The vastness is in the heart, and the wisdom is in the action. Hanguang Technology has always adhered to the brand concept of "empowering experiments with science and technology, creating beauty with wisdom", and is committed to providing customers with one-stop intelligent integrated solutions, serving and promoting the intelligent upgrading of laboratories and industry progress, and providing scientists with a standardized, efficient, safe and comfortable scientific research environment.

Hanguang Technology has a strong design team, covering HVAC control, intelligent systems, gas circuits, water supply and drainage, decoration, clean laboratories and other specialties, and provides customers with high-speed, high-quality and efficient services with a professional construction management team and large-scale management. The company has qualifications such as first-class professional contracting for building decoration and decoration engineering, first-class professional contracting for building mechanical and electrical installation engineering, first-class specialized contracting for building decoration engineering design, second-class general contracting for construction engineering, second-class professional contracting for electronic and intelligent engineering, second-class professional contracting for environmental protection engineering, and GC2 pressure pipeline installation and design permit.

Design Concept

设计理念

环境

在选材方面，我们始终选用高品质环保型的原材料；
在实验室设计中注重色彩的搭配，空间的转换，环
境的塑造，针对不同功能需求差异化设计，满足
人体、样品和仪器要求。

Environment

For materials, we always use high quality and
environmentally friendly raw materials. Focus on color
matching, space conversion, environment building in
the laboratory design. differentiated design are made
for different functional needs in order to meet
human、sample and instrument requirements.

健康

按照人体工程学理论对实验室进行设计，尤其针对本国人的工作习惯，进行专门的设计和制造；
对实验设备产生的有害废气，废水进行特殊设计, 保障试验工作人员的身心健康；
对实验室的排风系统进行充分设计，避免有害气体对人体产生的伤害。

Health

Based on the conception of ergonomics, there are special designs for local workers to adapt their working
habits. Ensure the health of people in the lab by appropriate design of drainage system, noxious gas and
ventilation system

安全

实验室安全主要体现在实验室人员安全、外来人员安全、仪器设备安全、数据样品安全、实验室环境安
全，应急状态下安全等。

Safety

Laboratory safety is mainly reflected in the safety of laboratory personnel, the safety of outsiders, the
safety of instruments and equipment, the safety of data samples, the safety of laboratory environment,
and the safety under emergency conditions.

Project Achievement

工程业绩

瀚广实验室从生存、竞争、胜出、全面拓展渠道到有序经营的道路上一路走来已有二十多年，瀚广产品及服务已与近千家客户建立了良好的合作关系，其中多数为世界500强企业，国内外知名企业，包括巴斯夫、欧莱雅、帝斯曼、诺华、罗氏制药、万华化学、以岭药业、正大天晴、恒瑞医药、湖南中烟、五粮液、中国食品药品检定研究院、上海食品药品检验研究院、浙江省食品药品检验研究院、武汉药品医疗器械检验所、浙江大学、中石油、中石化、中海油、中核电等。瀚广产品及服务广泛应用于生物制药、医疗器械、石油化工、精细化工、食品药品、检验检疫、国际院校、核电工业、精密仪器、烟草公司等行业。

Hanguang laboratory has been on the road of survival, competition, winning, comprehensive expansion of channels to orderly operation for more than 20 years, Hanguang products and services have established good cooperative relations with nearly 1,000 customers, most of which are the world's top 500 enterprises, well-known local and abroad enterprises , including BASF, L'Oreal, DSM, Novartis, Roche Pharmaceutical, Wanhua Chemical, Yiling Pharmaceutical, Chia Tai Tianqing, Hengrui Pharmaceutical, Hunan China Tobacco, Wuliangye, China Institute of Food and Drug Control, Shanghai Institute of Food and Drug Control, Zhejiang Institute of Food and Drug Inspection, Wuhan Institute of Drug and Medical Devices, Zhejiang University, PetroChina, Sinopec, CNOOC, China Nuclear Power, etc. Hanguang's products and services are widely used in biopharmaceutical, medical equipment, petrochemical, fine chemical, food and drug, inspection and quarantine, international universities, nuclear power industry, precision instruments, tobacco companies and other industries.
