ABOUT US

Skyred is an international brand specialising in high-performance power tools and electromechanical products. Driven by a team of top-tier German and Russian engineers and designers, we are dedicated to providing professional craftsmen, engineers, and DIY enthusiasts worldwide with ultimate tool solutions meeting military-grade standards.

Skyred's Core Competitive Edge: German-Russian Joint R&D
The essence of Skyred lies in its unique 'German-Russian Dual-Core' R&D model. Through deep cross-border collaboration, Skyred products not only boast 100% original, innovative designs but also achieve internal structures and performance capabilities that match or even surpass leading international brands such as Makita, Greenworks, and DeWalt.

Our Commitment: Military-Grade Workshops
We do not merely sell tools; our vision is to 'create defence-standard workshops for users.' This means every product we offer—from our inverter topping sales charts on Russia's major e-commerce platforms to our acclaimed high-performance chainsaws and pressure washers—undergoes the most rigorous quality inspections. This ensures they meet the highest standards in power, precision, durability, and safety.

Skyred: More than just tools, your most dependable, rugged partner.

SKY-CS1+

20V

20V Mini chain saw

- Motor Type: Brushless
- Chain Speed: 8m/s
- Guide Bar Length: 7"
- Cutting Diameter: 150mm
- Oil Capacity: 60ml
- Oil Output Speed: 3-8ml/min
- Net Weight: 1.5kg (Non battery)
- Inner Package Size: 46.5×12.5×22cm
- Outer Package Size: 48×27×46cm (4pcs/CTN)
- 20GP/40GP/40HQ: 1920/3840/4320

FEATURE Brushless motor / Tool-less tensioning / Automatic oil outlet structure

SKY-CS1

20V

20V Mini chain saw

- Motor Type: Brush
- Chain Speed: 7m/s
- Guide Bar Length: 6"
- Cutting Diameter: 120mm
- Oil Capacity: 60ml
- Oil Output Speed: 3-8ml/min
- Net Weight: 1.6kg (Non battery)
- Inner Package Size: 46.5×12.5×22cm
- Outer Package Size: 48×27×46cm (4pcs/CTN)
- 20GP/40GP/40HQ: 1920/3840/4320

FEATURE Brush motor / Tool-less tensioning / Automatical oil outlet structure

SKY-CS2

20V

20V Mini chain saw

- Motor Type: Brushless
- Chain Speed: 8m/s
- Guide Bar Length: 7"
- Cutting Diameter: 150mm
- Oil Capacity: 60ml
- Oil Output Speed: 3-8ml/min
- Net Weight: 1.5kg(Non battery)
- Inner Package Size: 45×28.5×12.2cm
- Outer Package Size: 51.5×46.5×31cm(4pcs/CTN)
- 20GP/40GP/40HQ: 1540/3220/3680

FEATURE Brushless motor / Tool-less tensioning / Automatic oil outlet structure

SKY-CS3

20V

20V Mini chain saw

- Motor Type: Brush
- Chain Speed: 7m/s
- Guide Bar Length: 6"
- Cutting Diameter: 125mm
- Oil Capacity: 60ml
- Oil Output Speed: 3-8ml/min
- Net Weight: 1.6kg(Non battery)
- Inner Package Size: 45×28.5×12.2cm
- Outer Package Size: 51.5×46.5×31cm(4pcs/CTN)
- 20GP/40GP/40HQ: 1540/3220/3680

FEATURE Brush motor / Tool-less tensioning / Automatic oil outlet structure

SKY-HT1

20V

20V Hedge trimmer

Motor Type:	Brush	Max Cutting Diameter:	Φ18mm
Voltage:	DC 20V	Blade Type:	Dual action, laser cut
Motor Speed:	18000±5 rpm	Net Weight:	1.94kg
Max Power:	340W	Gross Weigh:	2.9kg (Non battery)
Rated Power:	110W	Product Size:	90.2×20×21.3cm
Blade Length:	52cm	Package Size:	92.5×22×24cm
Cutting Length:	51cm	20GP/40GP/40HQ:	648 / 1344 / 1568

FEATURE **Dual action laser cut blade / Alublade support / Light weight.**

SKY-BW1

20V

20V Blower

Motor Type:	Brush	Net Weight:	1.56kg
Voltage:	DC 20V	Gross Weight:	2.4kg(Non battery)
Motor Speed:	19500rpm	Product Size:	81.3×13.2×22.2cm
Max Flow Speed:	35m/s or 41.5m/s with nozzle	Package Size:	37.2×26.5×25cm
Max Flow Volume:	365CFM (620m³/h) or 274CFM (466m³/h) with nozzle	20GP/40GP/40HQ:	1098 / 2304 / 2560

FEATURE **Accessory small nozzle for high flow speed / Soft grip on rear handle / Low noise design.**

SKY- HT2

20V

20V Pole trimmer

Motor Type:	Brush	Telescopic Tube Length:	0.6m
Voltage:	DC 20V	Total Length:	1.82-2.42m
Unloading Speed:	2500SPM	Net Weight:	2.6kg (Non battery)
Unloading Current:	3.0±0.5A	Product Size:	101×23×10cm
Cutting Length:	45cm	Package Size:	106×23×9.8cm
Max Cutting Diameter:	18mm	20GP/40GP/40HQ:	1035/2277/2574
Blade Type:	Dual action, laser cut		

FEATURE **Telescope aluminum tube / Lightness weight design / Up 30° angle down 90° angle adjustment.**
