210mm

Terminal head   **Bushing**   **Welding base**

Type: TM1401/51-85

Type：TM1401/85

For use with large diameter DN50, DN65, DN80, DN100, DN125, DN150, DN200, DN250, DN300…

MID approved

Designed and manufactured according to DIN EN 1434 (2014).

Single temperature sensor comply with IEC 751.

Measuring range: 0~+180℃

Matched pair accuracy:±0.1℃

Protection class: IP65

Available in Pt100，Pt500，Pt1000
