

THE JIUHENG GROUP

Paper-Label-Print-Packaging

At a glance

Found in September 2002, the Jiu Heng Group is dedicated to printing and packaging solutions for the courier and commercial industry in which we mainly supply waybill, thermal label, packing label, computer forms, document envelope, courier plastic bags and woven bags, serving about 40% of the market share in China. With huge consumption of paper material, in year of 2018, we established our own paper converting manufacturing plant, producing various kinds of thermal products and self-adhesive materials to achieve a total solution for customers.

Through years of development, we now sell and export our materials to many printing manufacturers. At present, we are having two manufacturing sites in China (Guangzhou and Hunan), and are serving 2000 customers with renowned companies including FedEx, DHL, JD.com, SF Express, Bank of China, DBS, etc.. With over 20 years of experience and having served over thousands of customers, the Jiu Heng Group has demonstrated our strengths in terms of production scale, technology and service capability.

The main factory of the Jiu Heng Group is located at Hunan, China, measures about 350,000sq.M of Land
