Bostock

The One-Stop Shop For
Your Electronic Component Needs

100% Original & Sources Reliable

**Always Keep Long-Term Friendly
Mutually Beneficial Cooperation Partnership**

A Leading Global Independent Distributor

BOSTOCK LIMITED is a global leader in sourcing, testing, and distributing electronic components.

- Established in 2015 – Headquarter in Shenzhen
- Global Independent Electronic Components Distribution Business
- Leader with strength in providing quality IC (FPGA,CPLD,MCU,Flash/Memory) and extraordinarily strong with supplying End-of-Life(EOL) and Hard-to-Find components

60+ Employees		**$68M+** Turnover in 2024	
100% Global Market Reach	60+ Countries Served | 30% Asia-Pacific & 70% Europe		
2 Warehouse	Shenzhen & Hong Kong		

Our Service

PPV Cost-Savings
We are committed to providing customers with flexible intelligent solutions to achieve the target purchase price and ensure maximum cost-effectiveness.

Integrated Supplier Services
We offer efficient and reliable supplier integration services for easier and more convenient procurement.

Shortage Sourcing
Using scientific strategies and advanced technologies, we ensure efficient procurement amid component shortages, enabling market opportunity seizure.

Inventory Management
We provide comprehensive excess inventory solutions, leveraging big data and professional team insights to optimize inventory management.

Escrow & Net Payment
Our flexible payment terms meet component procurement needs of electronic manufacturers and improve supply chain and capital flow efficiency.
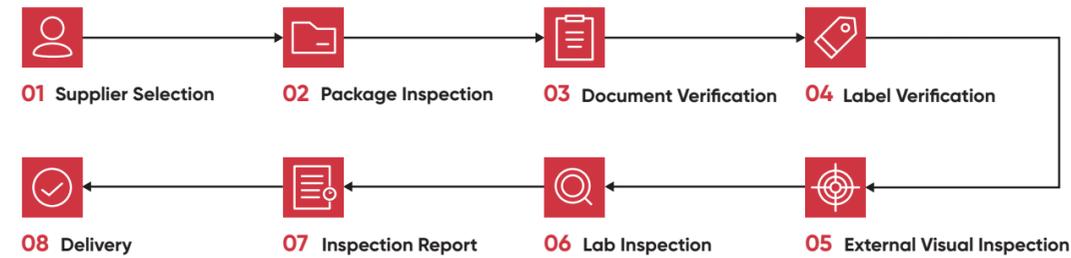

API Solution
We offer a complete set of APIs to share information and automate the ordering process,makes your business more efficient and fast.

Cost Reduction Solutions

In addition to spot deliveries, we also have the opportunity to find lead time components for our customers.

- Competitive price
- Life-cycle cost analysis
- Mass purchases
- Cost optimization
- Long-term stable supply
- Global sourcing

Our Process

01 Supplier Selection → **02** Package Inspection → **03** Document Verification → **04** Label Verification

08 Delivery ← **07** Inspection Report ← **06** Lab Inspection ← **05** External Visual Inspection

Solutions To Procurement

Manufacturers		Open Market Network
	BOSTOCK NETWORK	
OEM/EMS		Franchised Distributors

- EOL / hard-to-find parts and alternative solution to your demand.
- Forbidden/Controlled materials.
