ABOUT CHIPSHOME

CHIPSHOME International Limited, which is your reliable IC electrical component supplier in shenzhen China, we have over 10 year experiences of promding electronic components and technical services for customers worldwide, we are dedicated to provide professional support and services in fields like radio frequency, microwave communication, aerospace, medical equipment, satellite communication, mobile communication base stations, radar, instrumentation, broadcasting, academic research and development etc. We are devoted to insure the highest degree of customer satisfaction, while playing an integral role in recommending and implementing designs / technologies / cost down for customers

QUALITY

Brand new and original only, all parts are reliable and traceable competitive price, reliable supply chains.

WAREHOUSE

Our own consolidation warehouse in Shenzhen(China) allows us to deliver it in the shortest possible time
