808X/936X/709/8502d/375A/375B/375C/936/936d compatible with 900M-T series soldering iron tips.							
203H/608/376B /376C applicable for 200M soldering iron tips							
205/612 suitable for 500M soldering iron tip							
630L is suitable for 501 soldering iron tip.							
The 205 modified automatic soldering machine is suitable for the 911G handle and the 911G soldering iron tip.
