

Briti Scientific®

Briti Scientific, a standards manufacturing company introduces you to a better, yet transparent way of conducting business.

Our Products...

- PH Buffers/ORP.
- Conductivity Standards/TDS.
- Laboratory Chemicals.
- Reference Standards.
- GC Reference Standards.
- Pharmaceutical Impurity.
- AAS/ICP Standards.
- Viscosity Standards.
- Test Solutions.
- Colour Standards.
- Cation/Anion Standards for Ion Chromatography
- Karl fischer.
- qNMR Standards.
- Pharmacopoeia Products.
- Osmolality Standards.
- LC-MS Solvents.
- Ion Selective Electrode (ISE) Solutions.
- Spectrophotometry Standards.
- Turbidity Standards.
- Pesticide Standards.
- Research Chemicals.
- Total Suspended Solids (TSS).
- Total Organic Carbon (TOC).
- Secondary Reference Standards.
- Certified Reference Materials (CRM).
- NIST Traceability Standards.

Precision Lab Standards & Reagents for Innovation!

Briti Scientific, a standards manufacturing company introduces you to a better, yet transparent way of conducting business.

Briti Scientific's Laboratory Chemicals are manufactured to meet the diverse needs of modern laboratories.

Briti Scientific's Laboratory Chemicals---Reliable Quality • Certified Grades • Wide Range

Categories:

✓ Reagent Grades:

- LR Grade – General laboratory use
- AR Grade – High-purity for analytical applications

✓ Specialty Chemicals:

- Aldehyde-Free Alcohol – Ideal for clinical and histological labs
- Precision Cleaning Powder – For lab glassware and sensitive equipment
- Drying Agents, Salts, and Buffers – With consistent assay values

✓ Prepared Solutions:

- Standard Solutions of Metals and Ions (e.g., Fe, Cu, Zn, Na⁺, Cl⁻)
- Volumetric Solutions – Certified for titration and assay methods (e.g., NaOH, HCl, EDTA)

Why Choose Briti Scientific?

- Certified with detailed Certificate of Analysis (CoA)
- Batch-to-batch consistency and shelf stability
- Custom formulations and bulk pack options available
- Excellent pricing with fast nationwide availability

With broad application coverage, consistent batch quality, and competitive pricing, Briti Scientific is your trusted source for audit-ready laboratory chemicals that meet global standards.

From basic reagents to advanced solutions — Briti Scientific delivers lab-grade quality you can trust.
