**Airlock** as a Company is Incorporated as Solution Provider to supply complete range of Pneumatic Conveying and Bulk Handling Components of high quality to various process industries.

- We design, manufacture, supply and maintain the equipment supplied. We're equipped to service equipment from other brands and ensure spare parts are available, providing with seamless support regardless of the manufacturer.
- Our products are internationally recognised & certified for the Food, Dairy, Pharmaceutical, Chemical and other process industries.
- We offer time tested and field proven equipment from our facility.
- **Sales & Marketing and After-Market Services** are spread over Asia Pacific region at strategic locations.
- We are proud to be the first manufacturer in Asia to get **USDA & EHEDG** for the valves produced from our sophisticated manufacturing plant in India.
- We are proud to announce our association with **P&A Conveyors** in Malaysia where they have the state-of-the-art facility to manufacture Screw Conveyors, Volumetric Feeders, Magnets, Lump Breakers, Lump Crushers, IBCs and many more products.
  Bag Dump Stations, Bulk Bag Loaders and Unloaders are made for OEMs based on their design.

Other than the above, we represent high quality manufacturers from across the globe to handle S.E. Asian market for **BFM** Fitting, **JACOB** Piping Components, **ECLIPSE** Magnetics, **SOLIMAR** Fluidizers, **MORRIS** Couplings and Bends, **KEOFITT** Samplers, etc.,
